## Social Media and Photo/Video Consent & Event Agreement & Liability Release

This Agreement is a binding contract, covering the robotic preliminary and final competitions (“Event”) held during the 2019-20 school year. This includes any activities relating to the Event: such as Teacher Professional Development Day, additional training events, exhibiting events, and competition set-up and tear-down activities.

**Social Media** (e.g., Facebook, Twitter) is a powerful communication tool. **Southwest Pennsylvania BotsIQ (“SWPA BotsIQ”)** expects all employees, volunteers and students to abide by the obligations and restrictions related to social media as set forth herein.

**SWPA BotsIQ** employees, volunteers and students must communicate on social media sites professionally and respectfully, just as **SWPA BotsIQ** would expect them to communicate were they present in person. All communications with young people must be appropriate, both in terms of the student’s age and the relationship between the adult and student. Profanity, sexualized language or jokes, images of a sexual nature, or similar communications involving adult topics, drugs or alcohol, are never appropriate around students, no matter if they occur in person, in an email or text message, or on a social media site.

**SWPA BotsIQ** employees, volunteers and students must keep separate any social media communications that implicate **SWPA BotsIQ** from their own personal communications. Young people may have difficulty distinguishing among an adult’s different roles. Therefore, **SWPA BotsIQ** employees and volunteers must presume that any communications with a **SWPA BotsIQ** student will be perceived by the student as relating to **SWPA BotsIQ** business and must act accordingly.

**SWPA BotsIQ** employees and volunteers should carefully consider the implications of becoming “friends” with **SWPA BotsIQ** students on social media sites. This is strongly discouraged, due to how dynamic social media sites are and the different maturity levels of adults and youth. If a volunteer must engage with students via social media or other online channels to facilitate delivery of a **SWPA BotsIQ** program, it will be in accordance with the rules and privacy policies of those sites and only during his or her participation in **SWPA BotsIQ** programs which contain a component of direct volunteer-student interaction, such as **SWPA BotsIQ** Preliminary and Final Competitions.

**PHOTO/VIDEO CONSENT:** I give **SWPA BotsIQ** and its partner organizations and companies (list of partner organizations available upon request) permission to use my name and any photo and/or video in which I appear to promote the **SWPA BotsIQ** program without further compensation or permission, except where prohibited by law. I understand also that photos and/or video may be made available to print, video, internet and other media.

I understand that photos and/or video clips may be captioned and that the caption may include, when appropriate, my first and last name or school. No student’s personally identifiable information will be published by **SWPA BotsIQ** or its partner organizations or shared with third parties without a signed copy of this Release from the parties.

Therefore, I release **SWPA BotsIQ** from any liability or claimed liability in connection with the release of photos and video which I appear in.

**RELEASE OF LIABILITY:** The Event participant or volunteer (hereafter “Grantor”) named below acknowledges that among other things the Event involves machines and equipment, and that such an activity involves risks of injury to Grantor and others attending the Event. In consideration for being permitted to attend or participate in the Event, Grantor and Grantor’s assignees, heirs, guardians, next of kin, spouse and legal representatives expressly release, waive, discharge, and hold harmless the Event Organizers and Sponsor, **SWPA BotsIQ, New Century Careers and the Pittsburgh Chapter National Tooling & Machining Foundation** and their officers, directors, agents employees and assigns from any and all claims, demands, causes of action, damages and/or liabilities (“Claims”) that may now or hereafter exist, arise or be caused, whether negligently or otherwise, in connection with the Event and/or Grantor’s attendance at the Event, including, but without limitation, Claims related to death, personal injury, bodily injury, and/or property damage or destruction.

Grantor is aware that the Event involves hazardous activities, and voluntarily participates in or attends these activities with the knowledge of the danger involved, and agrees to assume any and all risks of bodily injury, death, and/ or property damage.

Grantor, if an Event participant, has read and agrees to comply with all rules and regulations as posted on the website or as distributed by the Event Organizers.

Grantor hereby agrees that Grantor and Grantor’s assignees, heirs, distributees, guardians, next of kin, spouse and legal representatives will not make a claim, sue, or attach the property of Event Sponsor or **SWPA BotsIQ, New Century Careers and the Pittsburgh Chapter National Tooling & Machining Foundation** or any other sponsoring, licensing, or associated organization, for injury or damage resulting from the Event and/or any act or omission of said parties.

**PLEASE READ THIS FORM CAREFULLY BEFORE SIGNING:** I, the Grantor, have read and understand the above consent, agreement, and release and agree to the terms hereof.
