Dear BotsIQ Participant:

BotsIQ cares about the health and well-being of all of our participants, volunteers, and guests. With the recent attention given to COVID-19 (coronavirus), we continue to monitor official recommendations regarding the virus, and its impact on our participating high schools and our host venues: Robert Morris University, Westmoreland County Community College, and California University of PA.

At this time, the BotsIQ Competitions are running as scheduled. Should any changes need to be made, we will communicate this with you immediately.

If you are attending any BotsIQ events, we recommend:

- Stay home if you are sick.
- Cover your coughs and sneezes with a tissue, then throw the tissue in the trash.
- Wash your hands often with soap and water for at least 20 seconds or use hand sanitizer, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

BotsIQ recommends that you rely on credible sources like the [Pennsylvania Department of Health](#) and the [Centers for Disease Control](#) for your information regarding COVID-19.

If you have any questions or concerns, please do not hesitate to reach out. Please contact Michel Conklin at conklin@ncsquared.com.

Thank you for being a part of the BotsIQ community.

Sincerely,

Michel Conklin
Executive Director, BotsIQ
