*** Please note that the BotsIQ Close the Loop program is exclusive to high schools in Fayette and Westmoreland Counties.**

BotsIQ Close the Loop program will help students identify careers that align with their interests and skills in the manufacturing industry. Through a grant from the Westmoreland-Fayette Workforce Investment Board, BotsIQ will provide access to valuable career related opportunities such as: facility tours, work experiences, job shadowing experiences, internships, scholarships and more that help prepare students for the next steps after high school.

Enrollment is limited throughout participating high schools in Fayette and Westmoreland Counties. In order to be eligible for all of the services, students and their parent(s)/guardian(s) will need to complete the WIOA In-School Youth Participant Application and provide the required supporting documents. Due to the nature of the funding, income and academic information is required from the Westmoreland-Fayette Workforce Investment Board. All information will remain confidential.
