

Intervala Pre-Tour Activity

Name:

Date:

Directions:

This activity will prepare you for BotsIQ's tour at Intervala in Mount Pleasant, PA. Intervala is a full-service manufacturer that provides solutions for their customer's electronic and electromechanical manufacturing requirements. To learn more about Intervala, visit their website at: <https://www.intervala.com/>

Intervala was showcased on the May 30, 2017 broadcast of Manufacturing Marvels® on Fox Business Network®. Click on the link to watch the spot and answer questions 1-3.

<https://www.intervala.com/news/2017/5/30/watch-intervalas-manufacturing-marvels-profile>.

1. What industries does Intervala serve?
2. What is one reason it is important that Intervala provides quality products to their customers?
3. In your own words, describe Intervala's facility shown in the video. (ie: What do you see? What does the facility look like? Are they organized or seemingly chaotic? Slow-paced or fast-paced?)

Watch this video made by Norwin Middle School students in 2020 for Catalyst Connection's What's Cool About Manufacturing Video Contest and answer question 4.

<https://www.youtube.com/watch?v=ePMbWsdOfkw>.

4. Which Intervala core value do you relate with the most? Explain your answer.
5. Write two questions you would like to ask a professional at Intervala during your visit to their facility.
 - a.
 - b.
